

ABOUT ME

I began my career as a lash artist in 2017 and spent the next three years adding to my list of certifications in lashes, waxing, nails, massage and more.

I joined the M.INT team as an administrator in 2019 and began taking on students shortly after as the Director of Education.

In 2021 I was awarded NALA's Educator of the Year and have been busy developing and fine tuning our academy ever since.
