“ Someone is sitting in the shade today because someone planted a tree a long time ago. ”

True value of one's life can be measured by making a significant difference in someone else's.

Keep giving to others. If you can't afford to give financially, then give time. If you don't have time, give a smile. If you are too sad to smile, give a kind word. If you can't find the words, then send a positive thought out into the universe.
