

Born & Raised in the UK. Ben moved to Canada after meeting his now wife, whilst taking a ski instructors course in Jasper back in 2008. Lover of the outdoors, Ben is also a photographer, artist, and a DJ and Music Producer.

Ben brings with him an Advanced VCE in Photography, Graphics, Art & Design and a BTEC National Diploma in Music Technology. In addition to the education, he boasts 18 years combined experience in property management, construction management, security, event planning and promotions.

Ben truly enjoys working with a team in a challenging environment. He loves developing and evolving this unique and incredible experience that creates lasting memories for staff, guests and everyone that comes to Urban River Adventures Eco-Resort.
